

**ALLOTMENT ACTS 1908 - 1950
CHEDDINGTON PARISH COUNCIL
TENANCY CONDITIONS IN RESPECT OF THE ALLOTMENT GARDENS
AT CHURCH LANE, CHEDDINGTON**

The tenant of an allotment garden must comply with the following general conditions of letting:

1. To keep the allotment garden clean, free from weeds and well-manured, maintained in a good state of cultivation and fertility and in good condition, and to keep any adjoining pathway or cart-track mown and reasonably free from weeds.
2. Not to cause any nuisance or annoyance to the occupier of any other allotment garden, or obstruct any path set out by the Council for the use of the occupiers of the allotment gardens.
3. Not to underlet, assign or part with the possession of the allotment garden or any part of it, without the written consent of the Council.
4. Not, without the written consent of the Council, to take, sell, or carry away any mineral, gravel, sand or clay or topsoil.
5. To keep every hedge that forms part of his allotment garden properly cut and trimmed.
6. Not to erect a shed, hut, greenhouse or any building on the allotment garden. Tool storage boxes no more than 4 feet in height are permitted.
7. Except on Orchard Plots (see Rule 8 below) not to plant any trees on the allotment garden without the written consent of the Council. Only fruit trees from dwarf rootstock may be allowed. Trees must not be planted near the side path and must be far enough inside the plot, so that when fully matured, they do not overhang the path or neighbouring allotments. At the Council's discretion only 1 dwarf tree will be allowed per quarter plot. All trees must be removed before vacation of a plot, unless the incoming tenant has agreed with the Allotment Warden to retain the trees.
8. Orchard plots are let for the purpose of planting and cultivating fruit trees of rootstock no larger than MM106 for apples, Quince C for pears and St Julien A for plums or similar semi-dwarf rootstock for other species. Trees are to be adequately staked and pruned regularly.
9. Not to keep any animals on the land, except in pursuance of the written consent of the Council.
10. Not to use barbed wire for a fence adjoining any path set out by the Council for the use of the occupiers of the allotment gardens.
11. Not to deposit or allow other persons to deposit on the allotment garden any refuse, or place any matter in the hedges or ditches situated in the allotment field of which the allotment garden forms part, or on the adjoining land.
12. Not to bring or cause to be brought into the allotment field of which the allotment garden forms part any dog, unless the dog is held on a leash and effectively restrained. Any fouling by the dog is to be cleared up immediately and disposed of in the bins provided by the Council.
