

**Speed Calming Survey– Cheddington – February 2011**

Speed calming is an ongoing issue for Cheddington and various methods have been researched by the Parish Council. In conjunction with the current methods:- 'slow down' signs, wheelie bin stickers and the 'speed watch' equipment used to record data, Cheddington Parish Council have discussed funding a double chicane (one chicane either side of the recreation ground entrance).

In order to move forward with this speed calming initiative the Parish Council need to obtain a positive response from residents. Please take a few minutes to answer the following questions:

Do you support the idea of a double chicane on the High Street by the Recreation Ground?

*Please circle your answer:*

**Yes                      No**

If no, please clearly state your reasons
