

## PLEASE READ – IMPORTANT CHANGES

Dear Resident,

August 2011

We are writing to you again regarding Cycletta, the women only cycling event we are delivering on the morning of Sunday 11<sup>th</sup> September 2011. The event will cover 25 miles of road around this region, and the start/finish venue will be hosted by ZSL Whipsnade Zoo.

Our proposal letter in June suggested a closed road format, however after careful consideration and consultation with local stakeholders, we have decided the event this year will operate on open roads in order to minimise disruption. The 25 mile route (illustrated on the map overleaf) remains the same.

In order to minimise congestion on the roads we are proposing to release participants in small groups from 9am, safely escorted by motorcycle marshals. A number of static marshals will also be present on route to ensure both road users and cyclists' safety. Nevertheless a large number of cyclists will be on the roads, so we would ask you to exercise extra caution if you are driving on the route during the event.

We would like to take this opportunity, in advance, to again express our thanks to local residents and businesses, for reading this information and planning around the event taking place. We appreciate the change in format may be unexpected but it is a move we feel is best for the longevity of the event.

If you have any specific questions or key concerns then please see contact details below for your parish. They will kindly act as a conduit for your query which will then be sent on to us as organisers to communicate with you directly and resolve any concerns. Please refer to the website for any further event information at [www.cycletta.co.uk](http://www.cycletta.co.uk)
