FARMING AND FOOD

by Julie Gaymer (julie@mentmoreparkfarms.co.uk)

Livestock worrying has been brought to my attention by an email from Thames Valley Police. Regrettably this and sheep rustling seem to be on the increase. It also reminded me that our own dog ran off the other day in Devon in a field of sheep which was a shock. She came back and no harm done but it was a reminder of how diligent we need to be in the fields.

It has been reported that farmers in the UK lose up to 1.8 million pounds per year from dogs injuring or killing sheep due to the hefty vet bills they may incur, the miscarriages of unborn lambs and the general disruption to their livelihood from losing their livestock.

All dogs should be kept on a secure lead while walking in rural areas, even the most well-behaved dogs with great

recall are not immune to the natural instinct to chase. Even if the dog does not attack the sheep they can be injured simply trying to flee.

Cattle are very curious and I find they all come to have a look and see who you are! I also encountered a herd of them in Devon. Our dog was calm, so were the cows, and they enjoyed me rubbing their heads over the fence!

I would say it's much the best thing to avoid fields containing stock. Its less stressful all round.

Currently in the fields around Cheddington we have many deer and the hares are starting to appear from their hiding places. We need to be mindful of the wildlife as well. It should go without saying that fencing and field gates must be secured.

The stock worrying offence can result in hefty fines and compensation. Farmers are also legally allowed to take matters into their own hands.

It's one of the driest springs I can remember and this is tough for vegetable growers, cereal farmers like us and stock farmers. Everyone is watering their allotments and gardens. Including me! My water butts are nearly empty and I'm hoping for rain soon. The grass is not the height and quality needed for silage, baling and storage for the winter. Of course, it will have to do. But it does mean there will be a shortage this year.

Walking the footpaths you will see how short the crops are....and the straw is an important commodity for bedding and feeding here and down in the west country where we send much of ours. It also goes to the Power Station. And we all need power!

Talking of dry weather, it is important that everyone understands the risk of fire in the countryside. I would ask that everyone is made aware of the risk to our crops, to our trees, hedges, wildlife and farm animals.

Please ensure that your families and their visiting friends keep to the public footpaths and do not drop cigarette butts or light barbecues in the countryside right now.

Just now farmers are on the roads with silage trailers. Soon it will be combine harvesters being moved and grain trailers. Please give these tractors and trailers time to manoeuvre and give them a wide berth! The drivers are well trained and aware of you but can't move as fast!!

Finally, it's Open Farm Sunday on Sunday 8th June. Farms are open locally in Great Gaddesden and Wendover. Tickets can be booked online on farmsunday.org.

OUR MP'S NEWS.

I am delighted to write for the latest edition of the Cheddington Village Newsletter as your Member of Parliament for Aylesbury and the villages.

I have continued to be out and about across the villages I represent over the past few months, meeting residents and attending engagements.

On 8 May, our communities came together to mark the 80th anniversary of VE Day. On 3 May, I was honoured to join His Majesty's Lord Lieutenant of Buckinghamshire, veterans, serving sea cadets and many others at the VE Day celebrations at the Discover Bucks Museum.

It was a very moving ceremony to remember those who we lost and those whose lives were changed forever by the Second World War. I spoke about how the values that they fought for – our freedom and our community – continue to shape Aylesbury today.

I met Margaret Wilkins, a remarkable veteran who served at Fort Southwick in Portsmouth, tracking submarine movements in the Channel. I also enjoyed the celebrations, including wonderful music from Ellesborough Band, singing from Wendy Bartlett and the guess the number of poppies game! Thank you to the organisers, including Aylesbury Town Council and the Aylesbury branch of the Royal British Legion.

In Parliament I have continued to champion the interests of Cheddington residents. Earlier this year, I was appointed by the Prime Minister to be a Parliamentary Private Secretary to the Secretary of State for Environment, Food and Rural Affairs, Steve Reed MP. In this role, I am supporting our Government to deliver on priorities close to my heart and to those of Cheddington residents: clean rivers and lakes; ambitious nature recovery; and a roadmap to a zero-waste economy.

I am pleased our Government is bringing forward action to tackle fly tipping. Last year, there were more than 4,000 incidents of fly-tipping in Buckinghamshire. I have been working with Thames Valley police, who are increasing patrols in affected areas, but it is not enough.

Ministers have now launched a rapid review to slash red tape blocking councils from seizing and crushing the vehicles of waste criminals. Councils currently have to bear the significant cost of seizing and storing vehicles but under new plans, being considered by Ministers, fly-tippers will cover this cost, saving councils and taxpayers money.

Any criminals caught transporting and dealing with waste illegally will face up to five years in prison under new legislation. The Government is making available £69 billion to council budgets across England – a 6.8% cash terms increase – and bringing forward the first multi-year funding settlement in a decade, to help fund key responsibilities like tackling fly-tipping.

Finally, I'm really proud of my Labour colleagues Harry Murgatroyd and Trish Owen, who stood in Ivinghoe ward in the recent Buckinghamshire Council election. Their passion and commitment really shone through and I'm grateful to everyone who supported them. Unfortunately I won't get to work alongside them as Councillors but I know they will continue to be dedicated champions for the ward.

We need change locally. From housing to SEND, from social care to potholes and pavements, Cheddington residents raise their frustrations with me regularly.

I remain committed to working with Councillors of all parties to serve residents and improve our town and villages for the better.

As always, I am here to listen and to help you. The best way to reach me is on laura.kyrkesmith.mp@parliament.uk. I am also sending out a regular E-newsletter to update residents on my work. You can sign up for the mailing list via my website, www.lauraforaylesbury.org. Thank you.

LETTER TO THE EDITOR.

Property Alert. Harry Hart who has submitted letters to earlier Newsletters about land he has for sale, that 'landlocks' an area of land that could be developed by a suitable developer, given the new National Planning Policy Framework published last December, has now made some calculations of the discount he will be able to offer villagers if it goes ahead. He estimates that any buyers or young families could benefit from a discount by a reduction in price of £51,000 to be given by the landowner, on a sale price of £450,000.

Harry Hart, Cheddington Manor

NOTICES

At the start of this month, the Chief Constable and I presented awards to community groups across Thames Valley as part of our Community Fund at an event in Milton Keynes.

As well as being an opportunity to provide over £200,000 of cash taken from criminals to worthwhile local groups, it was also an opportunity to say a huge thank you to those who do so much to support our communities.

In April, we received confirmation that my bid to fund an additional 68 neighbourhood police officers for Thames Valley had been successful. These new officers to be recruited this year are on top of the increase that we have already seen in neighbourhood policing locally. This is the keystone of my **Police and Crime Plan** and once these officers hit the streets there will be more than two and a half times as many neighbourhood police officers as when I launched my **Crimefighters strategy** in 2023.

Overall crime in Thames Valley continues to fall, and Thames Valley Police are doing a good job but there is more work to do. I urge you to report crime or concerns directly to the police, don't assume someone else will do it. Reporting on social media, turning a blind eye or assuming that crimes will be dismissed won't lead to action.

Only reporting crimes to the police will lead to more criminals being caught and, if cases can be prosecuted, victims getting the justice they deserve.

husband was very much involved in sheep farming where he guided them into green pastures. So, innately he has this keen interest towards sheep. He is always admiring them with a beaming smile. Even taking a video of a lamb kicking Emmanuel's football and a compelling request, "Come and see the sheep."

I was hushed in amazement by one of these irresistible insistent invites gobsmacked to the point of being speechless how the sheep ran to the farmer like a toddler to their mum. Surely, sheep can recognise their shepherd's voice and follow their leader based on that recognition. They learn to associate the shepherd's voice with guidance and trust. And this is the theological point Jesus is conveying to his audience in the Gospel of John "But you do not believe, because you do not belong to my sheep. MY SHEEP HEAR MY VOICE, I know them, and they follow me."

This astounding theological claim leaves us gobsmacked where it necessitates knowing Christ the Shepherd's voice to inherently become a part of the fold. Unequivocally, for the natural man this sounds hypothetical. The world categorises this as a myth, something fanatical or some phonological exercise. But for the believer it is a real experience. But how undoubtedly do we recognize the Shepherd's voice? How do we know it is not an illusion?

Perhaps, having an acquired relational contact like the shepherd and the sheep also means having a progressive relationship with Jesus. The Psalmist David knew this too well, "The Lord is my Shepherd, I shall not want." By spending time in prayer which allows us to admit our failures, weaknesses, and limitations to One who responds to human vulnerability with infinite mercy; meditating and reading Scripture that develop that mysterious connection with Christ the Good Shepherd that propels us to follow him.

It may be that we also recognise the Shepherd's voice through the faith community. BBC news has been covering the election of the new Pope. The Conclave met to listen to the voice of the Holy Spirit and elected Pope – Leo XIV after four rounds to lead 1.4 billion Catholics around the world. We wait to see whether it was personal inclinations instead of divine guidance based on the outcome of his papal tenure.

Think for a moment: what are the ways you hear Jesus' voice today? Jesus promises that his sheep hear his voice and follow him is comforting. It tells us that being part of his flock you are never alone; his guidance and protection are always with us. As we reflect on what this reading may mean, how can we strive to be attentive to the voice of Jesus, guiding us through the Holy Spirit?

SOCIETIES

1st Cheddington Scout Group.

The group still struggling to find anyone so far to step in as our Group Scout Leader or Chair of the Exec Committee (who help govern the group). This leaves us in a really exposed position, putting the future of the group at risk. If we want Scouting to continue in its current state in the village, volunteers are required to take these roles on.

In addition, we are looking for assistance with Admin as the current administrator will step down at the end of the summer term.

We are also in much need of additional leader support within some of the sections due to a lack of new volunteers.

Being part of the scouting network as a volunteer offers many opportunities to learn new skills and contribute to both your local community as well as a renowned worldwide organisation.

If you can support the Scout group to secure its future in any of the positions mentioned above, please email admin@cheddingtonscouts.org.uk – we would love to hear from you.

Group Details. 1st Cheddington is a thriving Scout Group, offering challenge and adventure to young people of all ages, helping them learn to take responsibility for themselves and for others while having fun and taking part in a wide range of activities.

The Scout Group continues to grow and plays an active part in village life. We have four sections, all of which are open to both boys and girls:

- Beavers (6 to 8 years) – Mondays 18:30 – 19:30 / Thursdays 18:15 – 19:15
- Cubs (8 to 10½ years) – Tuesdays 18:30 – 20:00 / Wednesdays 18:30 – 20:00
- Scouts (10½ to 14 years) – Thursdays 19:15 – 20:45 / Fridays 18:30 – 20:00
- Explorers (14 to 18 years) – Mondays 20:00 – 21:30

Meetings are usually held in our headquarters on Station Road unless otherwise advertised by leaders.

Hut Hire. The Scout hut is available for hire at preferential rates for Scout Members or Cheddington Residents. We also now have Wi-Fi available! Please check out the Cheddington Scout Group Facebook page for more details.

For further information about any of the sections, to put your name down on our waiting lists (we recommend at least a year before they are old enough so that places can be made available), to hire the hut or any other enquiries please email admin@cheddingtonscouts.org.uk.

Are you interested in making new friends? Learning new things? Lively discussion? Interesting outings? Engaging with forward thinking campaigns? In which case Cheddington WI could be just the thing! We meet on the first Thursday of every month in the Village Hall and we are always keen to welcome new members.

SPIRIT YOUTH GROUP. MORE REVOLTING BEHAVIOUR AT THE VILLAGE HALL.

Spirit is well into rehearsing for the show, which will be staged at Cheddington Village Hall on 28 and 29 June. Please see the advert in this month's issue for details.

There are 35 local children involved in the show between the ages of 7 and 16, with a host of adults supplying fabulous costumes, sound, lighting, scenery and some very special effects. This year is the group's 30th anniversary and it is hoped that some of its ex-members (there are nearly 200!) will want to come and enjoy the show and attend a special reception – more details below.

In this heartwarming tale, Matilda, a young, highly intelligent girl from an awful, disfunctional family is packed off to a school run by a tyrant called Miss Trunchbull. The school-children encounter many miseries and plenty of adventures before Matilda leads a revolt and finally finds the love and companionship she deserves.

This junior version of Matilda is based on the multi-award winning West End show, written by Dennis Kelly with music and lyrics by Tim Minchin. It features all the popular songs from that musical, accompanied by a live band.

The Group is pulling out all the stops to bring this magical story alive and is hoping to top last year's very well received production of Beauty and The Beast. Previous musicals include Treasure Island, Alice in Wonderland, the Wizard of Oz, Oliver!, Bugsy Malone and Peter Pan.

The Group meets at the village hall every Wednesday evening and has six Leaders (four women, two men), all with theatre experience.

This year, as part of its 30th anniversary celebrations, Spirit (formerly Cheddington Youth Drama) is hoping to attract as many past members of the Group as possible to see their forthcoming production and attend a short reception at The Pavilion in Cheddington between the matinee and evening performances of the show on Saturday 28th June. Free drinks and snacks will be served.

If you are an ex-member, please contact Colin Bryer on 07817 847099 for details of the special reception. If you are a parent or friend of an ex-member, please let them know.

NIFTY FIFTIES PLUS, has been established in the Village for over 25 years. We meet at the Village Hall, each Thursday from 10.00am to 12 noon. There are exercises to suit older people of varying abilities, some seated and some standing. This is followed by a break for a cup of tea or coffee and a chance to socialise. Next, a chance to participate in indoor sports activities, including table tennis, indoor bowls and occasionally soft ball tennis or badminton. The cost is £8 per session, plus a small quarterly membership fee.

If you are over 50 years of age, you will be very welcome and your first visit will be free. For more information, please contact Chris on 01442 824350.

PETANQUE CLUB. Petanque is a friendly, open-air, pursuit which can be played by **all** members of the family. The Petanque pitch in the recreation ground is available to all but as a member of the Petanque Club you also get the opportunity to participate in a variety of social events organised throughout the year.

We now have vacancies for more members so for more information please contact Derek Wilkinson (668689) or Tony Johnson (661342) for further details.

BRIDGE CLUB. Would you like to join a friendly group of 10 to 20 other players who meet twice each month for a social morning of playing bridge? If so why not join us at the Bowls Club on the second and fourth Thursday in each month at 9.30am.

Cheddington Tennis Club.

GOOD NEWS. Due to the exceptionally high winds in February, the netting posts around our third court were significantly damaged. We had to close the court briefly whilst repairs took place but thanks to the generous support of Sport England, we were able to get it back up and running before too long.

COACHING. Bex Stanley is our LTA registered coach. She runs our coaching for adults and children, on a group or individual basis.

CLUB NIGHT. Throughout the year on (most) Tuesday evenings, we hold a relaxed club night for members of all abilities, starting at 7pm. It's also a great opportunity for potential members to come down and try us out for free.

DAY TIME TENNIS. If you're around during the week (Mondays & Fridays, 10am to midday) and fancy playing some social tennis, we have a thriving day time group.

MATCHES. For those keen to play slightly more competitive tennis, we run a number of teams in the Aylesbury Vale League.

NOT TOO LATE TO JOIN US. If you'd like to get fit, have fun and improve your game, please contact us at:

<https://clubspark.lta.org.uk/CheddingtonTennisClub/Membership/Join>

New Season at Long Marston Cricket Club. Cricket has started with some close matches in the first weekend of the league season. The 1st XI ran out comfortable winners against Silverstone, whilst the second XI lost by four runs against Westcott and the 3rd XI lost with three balls to spare against Great Brickhill – which was played at Ascott House. We are very fortunate to play a number of our fixtures at fabulous grounds like this, as well as our lovely home grounds. Sunday games are also in full swing.

Get Involved. Would you like to play cricket, umpire or score this summer? Training can be provided for umpires and scorers. Please contact Mike Lyons develop@longmarstoncc.co.uk or come along to nets (every Thursday evening at Marlins) and ask to speak to a team captain.

We are also looking to add to our commercial sponsors. If you would like to discuss supporting us, or using our facilities for a commercial event, please contact Paul Marsh at chairman@longmarstoncc.co.uk.

Diary Dates.

There are league and friendly fixtures almost every Saturday and Sunday at Marlins (Cheddington Lane, Long Marston). The 3rd XI have nine games scheduled at the bucolic Mentmore Cricket Ground (see website for dates). There are also some special games of particular local interest:

Herts Ladies V Wiltshire Ladies Sunday 15th June 2 x T20's 11am start

Club 6 a-side Day Sunday 29th June 11am start
