8. If yes, what type of development do you think would be appropriate?

Shops/retail Office premises Restaurants/cafes Leisure Other: _____

9. If you agree to future housing and commercial development, when would you like to see it happen?

All in one go? Spread over the next 20 years?

10. People have raised concerns in the past that new homes and jobs means that existing infrastructure and facilities will be over stretched and that they are not available for people who already live in Cheddington.

(By infrastructure and facilities we mean everything from transport and roads, to the leisure facilities, local amenities such as shops and schools, as well as ensuring key services such as water and sewerage systems can cope).

Thinking about these issues please indicate which of the following you think might apply in Cheddington. (please tick only one box per row)

	We need more of this now without development	We have enough of this now, but will need more with new development	We will not need any more of this with development	Don't know
